

ATTENTION RESIDENTS OF
WYNDMUIR PROPERTY OWNERS
ASSOCIATION

The Board of Directors has signed a contract with Red Oak Tree Service to complete fall pruning of the trees. All association trees will be cleared and canopies raised from the walkways, roadways, parking areas, light fixtures and lawn areas (street-side trees) to provide clearance for large trucks. Approximately 13-15 feet of clearance to avoid tree damages. Work will begin on Monday, November 20th and may take a couple days to complete.

Respectfully,
Board of Directors
Wyndmuir Property Owners
Association
